The Pathway to an Australian Apprenticeship

STEP 1 Preparation

Create a resume (or Curriculum Vitae)

Visit Youth Central for resume help and ideas

Speak with a Career Adviser about potential career options or explore Career Services online ...

- Which industry would best suit you?
- What is an Australian Apprenticeship and what does it involve?
- What qualifications and job roles are available?
- Consider doing a pre-apprenticeship course.

STEP 2 Research

Find detailed information about potential Australian Apprenticeship job options and further information by visiting the Australian Apprenticeships Pathways website.

You can also download the AusAppPathways app.

Contact an Australian Apprenticeship Support Network (Apprenticeship Network) provider for information about **incentives**.

For **wages** information visit the Fair Work website **OR** call 13 13 94

For information about the structure and fees of a particular course, contact a Registered Training Organisation

STEP 3 Job Hunting

Using the information that you researched, you may want to ...

Contact

- Group Training Organisations
- Employment service providers

Visit

- Australian Apprenticeships - My Gain YouTube channel
- Internet Job Sites

Network

- Opportunities within your local community
- Opportunities through family, friends and acquaintances

Check out

- Local daily newspapers for job ads
- Use The Yellow Pages or a search engine (for example Google) to identify potential employers

Keep in touch with any organisations that are helping you and let them know if your circumstances change

STEP 4 Sign up

Once you have found an employer who is interested in taking you on as an Australian Apprentice, contact an Apprenticeship Network provider to confirm details about incentives and to organise signing a training contract between you and the employer
